

Promise Hill
PROJECT

Our Mission

Promise Hill Project provides basic needs of life to impoverished communities in **America, Kenya and India** to **empower both children and adults.**

Our Vision

Promise Hill Project strives to create a world in which all people have **equal access to basic human needs**, in addition to the **opportunity to thrive** within their communities.

Basic Needs

We provide food, water, period products and shelter to children and adults in need.

FACTS

Millions of children and adults lack access to adequate food and water globally, on a daily basis. According to the World Health Organization, an estimated **673 million people worldwide suffer from chronic undernourishment.** Approximately 2.1 billion people live without access to safe drinking water. An estimated 300 million people are homeless worldwide.

Personal Care

We provide personal hygiene items such as toothpaste, deodorant and body wash.

FACTS

Proper personal hygiene reduces illness and opens up doors to job opportunities. Globally, more and more **people are choosing to go without simple toiletries** such as toothpaste and deodorant in order to afford food to feed their hungry families.

Tools for Technology

We provide printers, laptops and sewing machines to students in need.

FACTS

Technology tools in the classroom enhance education by providing access to a vast amount of information, facilitating collaboration, enabling personalized learning experiences, promoting active engagement through interactive features, and allowing for diverse learning styles to be addressed, ultimately **leading to a more dynamic and effective learning environment** for students of all abilities.

ONGOING PROJECTS

Promise Hill PROJECT

U.S.A.

Ohio, Texas, New Mexico, New Jersey and Michigan

Promise Hill Project distributes healthy meals, clean drinking water, period products, personal care products and more to those in need throughout the United States.

Kenya

Mombasa & Surrounding Villages

Promise Hill Project provides period products and healthy meals, conducts female empowerment and small business start-up programs and funds a water project in Kenya.

India

Odisha

Promise Hill Project entered into Odisha, India in October of 2019. Since then, we have funded two water projects that implement piped systems with connections to schools and households, ensuring access to clean water and improved sanitation regardless of caste, class, or gender. This project serves an estimated 600 people in need every day in India.

U.S.A.- South Dallas, Texas

Promise Hill serves our unhoused neighbors with nutritious meals, clean drinking water, hygiene products, period products and more.

U.S.A.- Detroit, Michigan

Promise Hill assembles and distributes period product kits containing 3 to 4 months of clean, safe period products to girls and women in need.

U.S.A.- Mt. Sterling, Ohio

Promise Hill provides hygiene kits! We fill our Bags of Love with personal care products for students and families in the small village of Mt. Sterling, Ohio.

KENYA- Mombasa Coast

Promise Hill conducts a Female Empowerment Program which teaches safety and emotional well being and distributes period products, underwear, hot meals and more.

INDIA: Odisha

Promise Hill Project funded two water projects in Odisha, India- consistently providing clean water to struggling and impoverished communities.

CORPORATE PARTNERS

We establish strong relationships with like minded businesses in order to make an even bigger impact. Shown above is the extraordinary staff at Terra.Michelle & Co.
